

## TOUR FOR ACCOMPANYING PARTNERS

The many faces of Warsaw

JUNE 15 2018

### PROGRAMME

**10:00 meet with your guides at the Sofitel Victoria hotel**

This day will be dedicated to "Warsaw miscellanea".

We will start at the Wilanow Palace area and walk through its park. All the guests who are interested may visit the interior of the Palace.

Thereafter the guests will go to the former Jewish quarter - destroyed to the grounds by Nazis during World War II. We will visit the only remaining Warsaw synagogue as well as the Ghetto Walls and Warsaw Ghetto Heroes monument.

We will finish the tour in the modern part of the city – known for its sky scrapers and the architectural style so called "social realism" (sightseeing from the bus).

**End of tour 14.00**
