NÖBEG is the guarantee society for the Austrian federal state of Lower Austria. Lower Austria reacted to the crisis by making available a package of measures with a liability limit of mEUR 20 for rapid support for small and medium-sized enterprises in Lower Austria which have been negatively affected by the economic impact of the coronavirus. The target group are SMEs in the trade and tourism sector. In the frame of this measure, **NÖBEG** offers an 80% guarantee coverage so as to secure a new working capital loan of up to kEUR 500 to be granted by a credit institution with a term of up to 5 years. The processing fee and the current guarantee commission are taken over 100% by the State of Lower Austria / Lower Austrian Economic and Tourism Fund (NÖWTF).

Since November 2020, **NÖBEG** also issues 100% guarantees on investment loans between kEUR 10 and 250 to companies in the commercial and tourism sector. This programme was set up in the frame of the **NÖ Konjunkturprogramm** (economic stimulus package). The guarantee has a duration of up to 10 years and the bank interest rate is capped at the 3-months Euribor + 1%. The one-off processing fee is paid by NÖWTF and the liability commission for the company is 0.5%. This programme has a budget of mEUR 20 and is open until 30th June 2021.

Another measure is the **NÖ Nachrangkapital** (subordinated loan) which is granted to viable Lower Austrian companies suffering from the covid crisis. These loans cover amounts of up to kEUR 500 for SMEs and have a duration of up to 10 years (of which 5 are instalment-free).
