KCGF organized a discussion table titled "Bridging the Financial Gap - The Role of KCGF in Facilitating Access to Finance."

17 May 2024, Pristina

The Kosovo Credit Guarantee Fund marked the eighth anniversary of its establishment. On this occasion, apart from other activities KCGF organized a discussion table titled "Bridging the Financial Gap - The Role of KCGF in Facilitating Access to Finance".

At this event attendees were engaged in a very constructive conversation and had the opportunity to reflect on and discuss the impact of our services on the country's economy. Additionally, the achievements and challenges of KCGF over these eight years were presented, along with the results of the latest market research report conducted by KCGF related to facilitating access to financing and our impact in this area.
