The Swedish International Development Cooperation Agency, Sida

2025-05-16

Sida's mission

About Sida

Sida – the Swedish International Development Cooperation Agency – is a government agency working with the ***mission to create better living conditions for people living in poverty and under oppression around the world.***

Founded in 1965 – Reporting to the Swedish ministry of foreign affairs

Provides different forms of financing and partnerships used to implement its development cooperation strategies at the bilateral, regional and global level.

Governed by development cooperation strategies that outline the geographies and thematic areas in which Sida operates.

Operates in 35 countries at the bilateral level as well as global and regional development cooperation that may include all ODA-recipient countries

Development assistance for a new era – freedom, empowerment and sustainable growth

Two broad forms of development cooperation

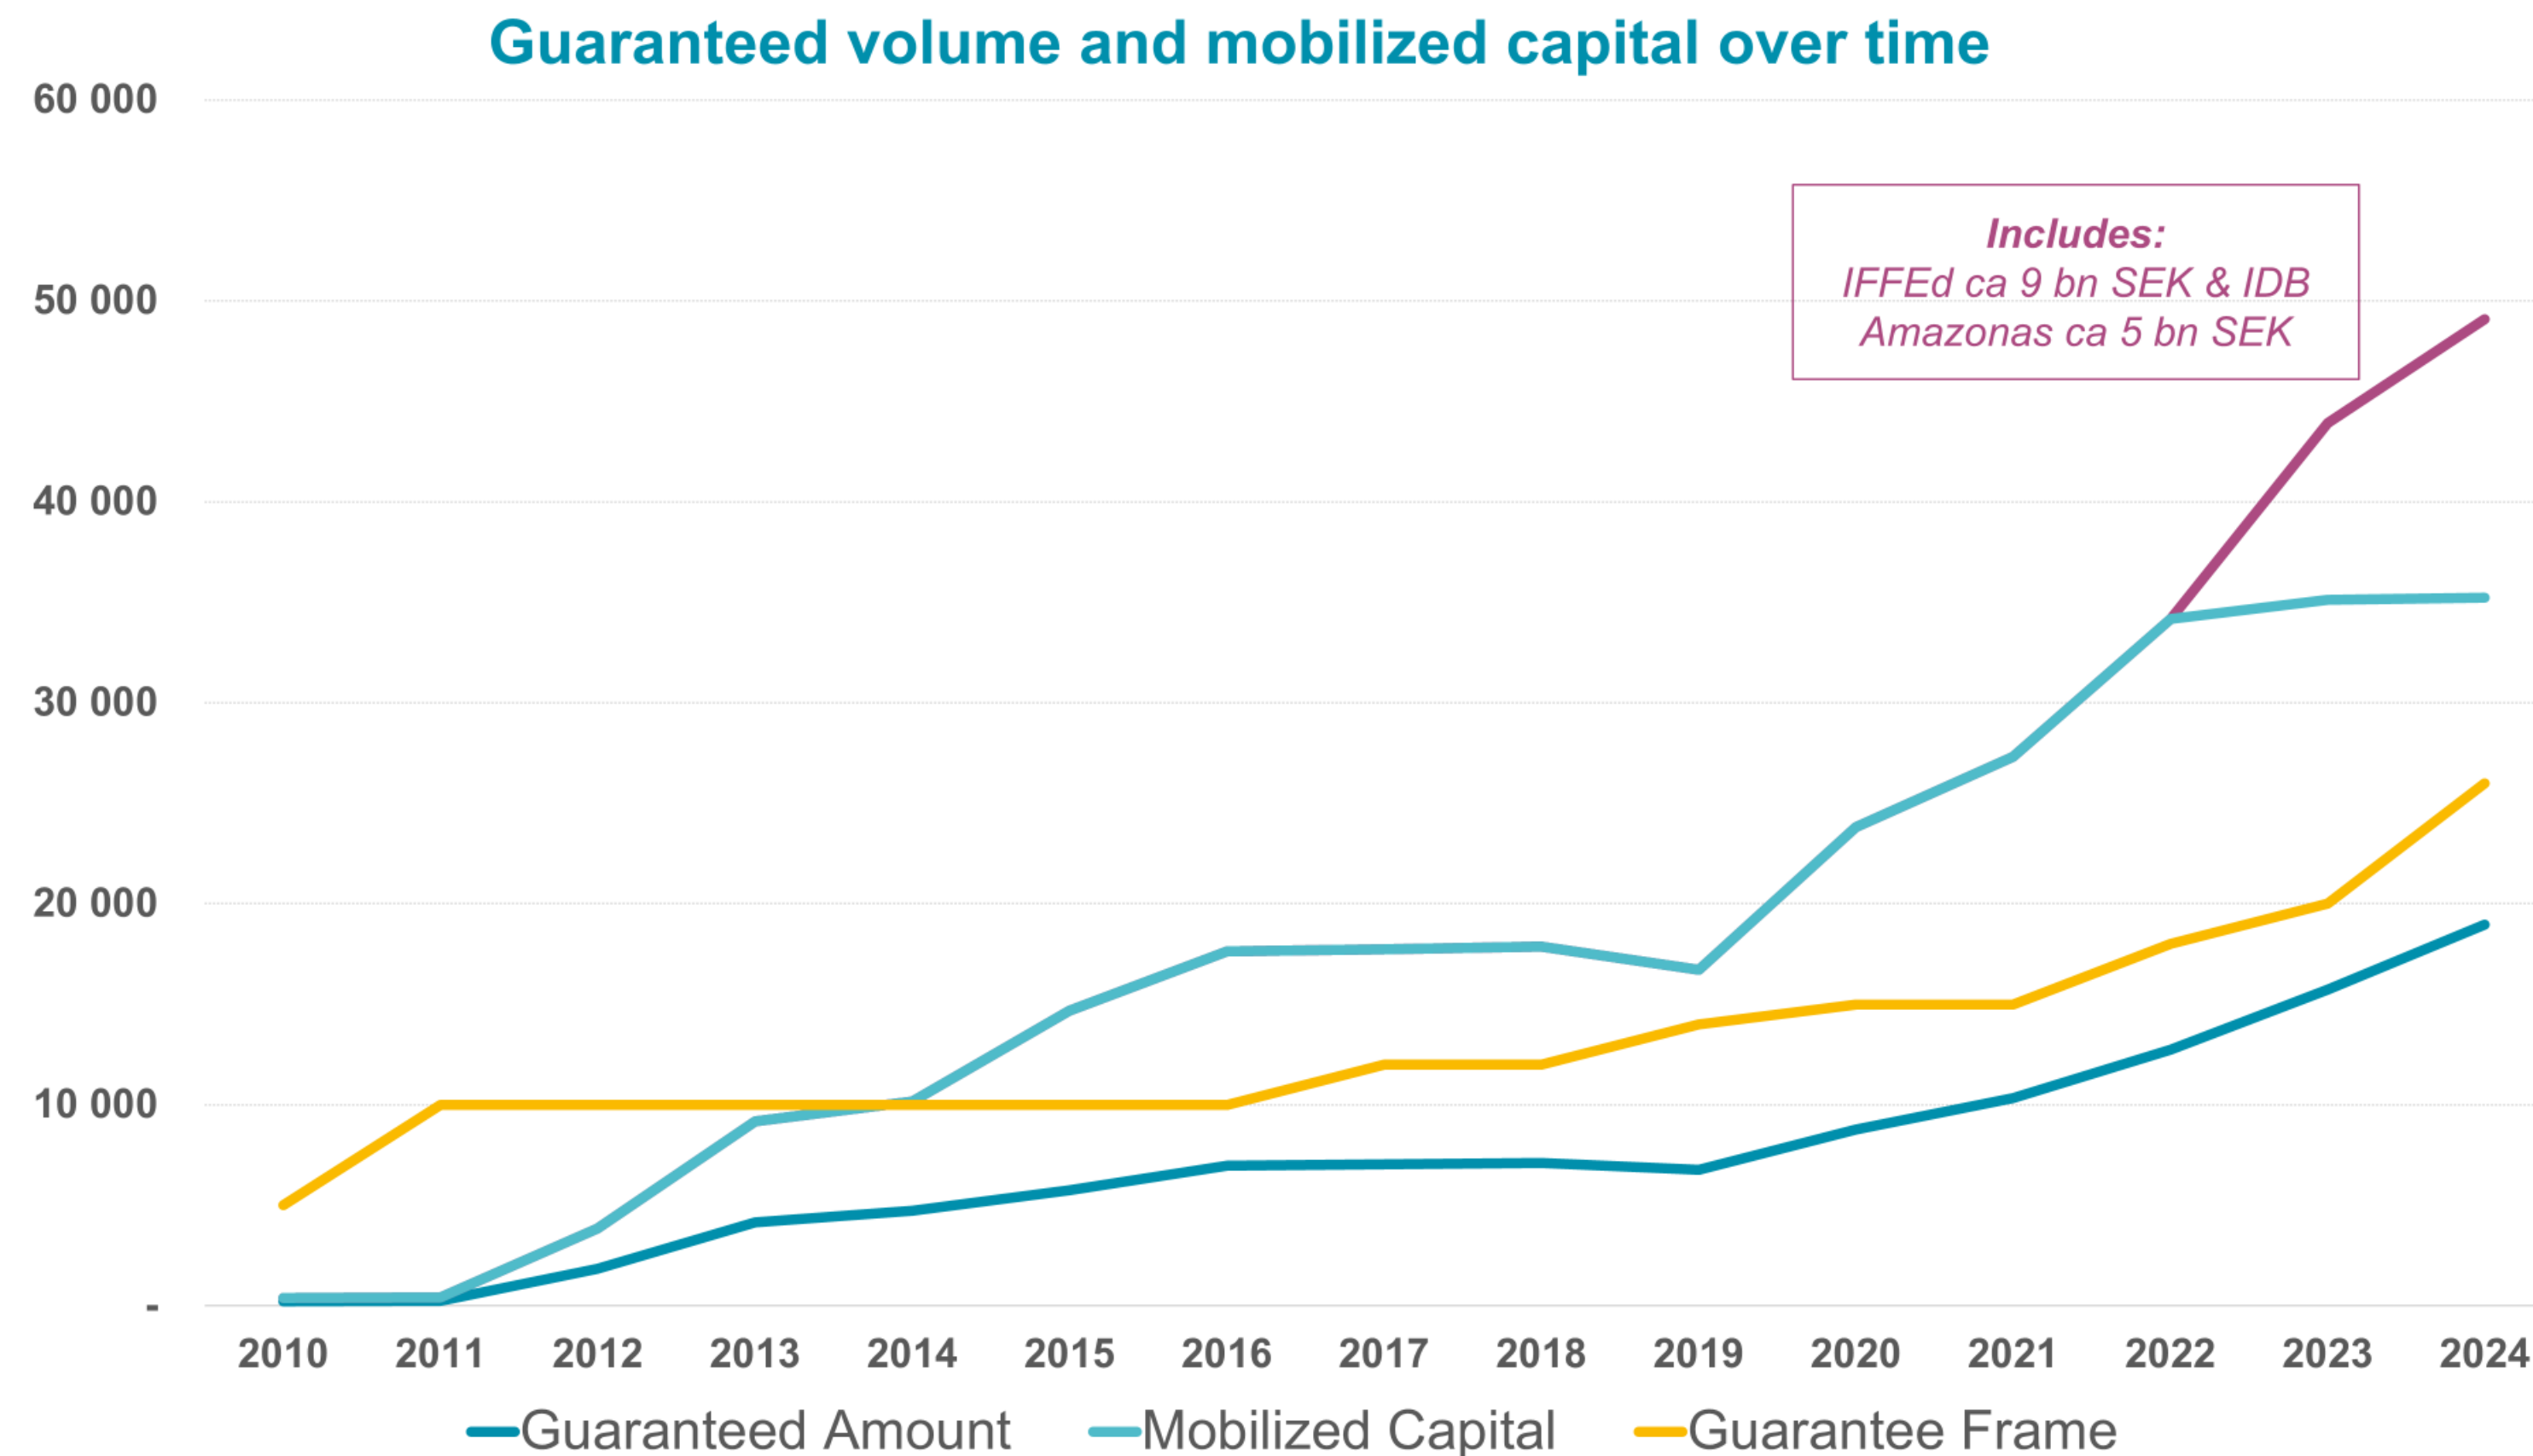

Sida's guarantee portfolio

What is a Sida guarantee?

- A **risk-sharing instrument** enabling **increased financing into high-impact segments** that are key to achieve development impact
- **AAA-rated**, backed by the Swedish Government
- Covers primarily **credit risk**
- **Unfunded** guarantee
- Guarantee amount depends on underlying need and volume of investments. **Sida's current guarantees range between 5-200m USD**
- Sida has a current guarantee frame of **30 billion SEK (2025)**

Ultimate benefit is to support **development impact through our guarantees**. We work across various thematic areas and with a wide range of organisations.

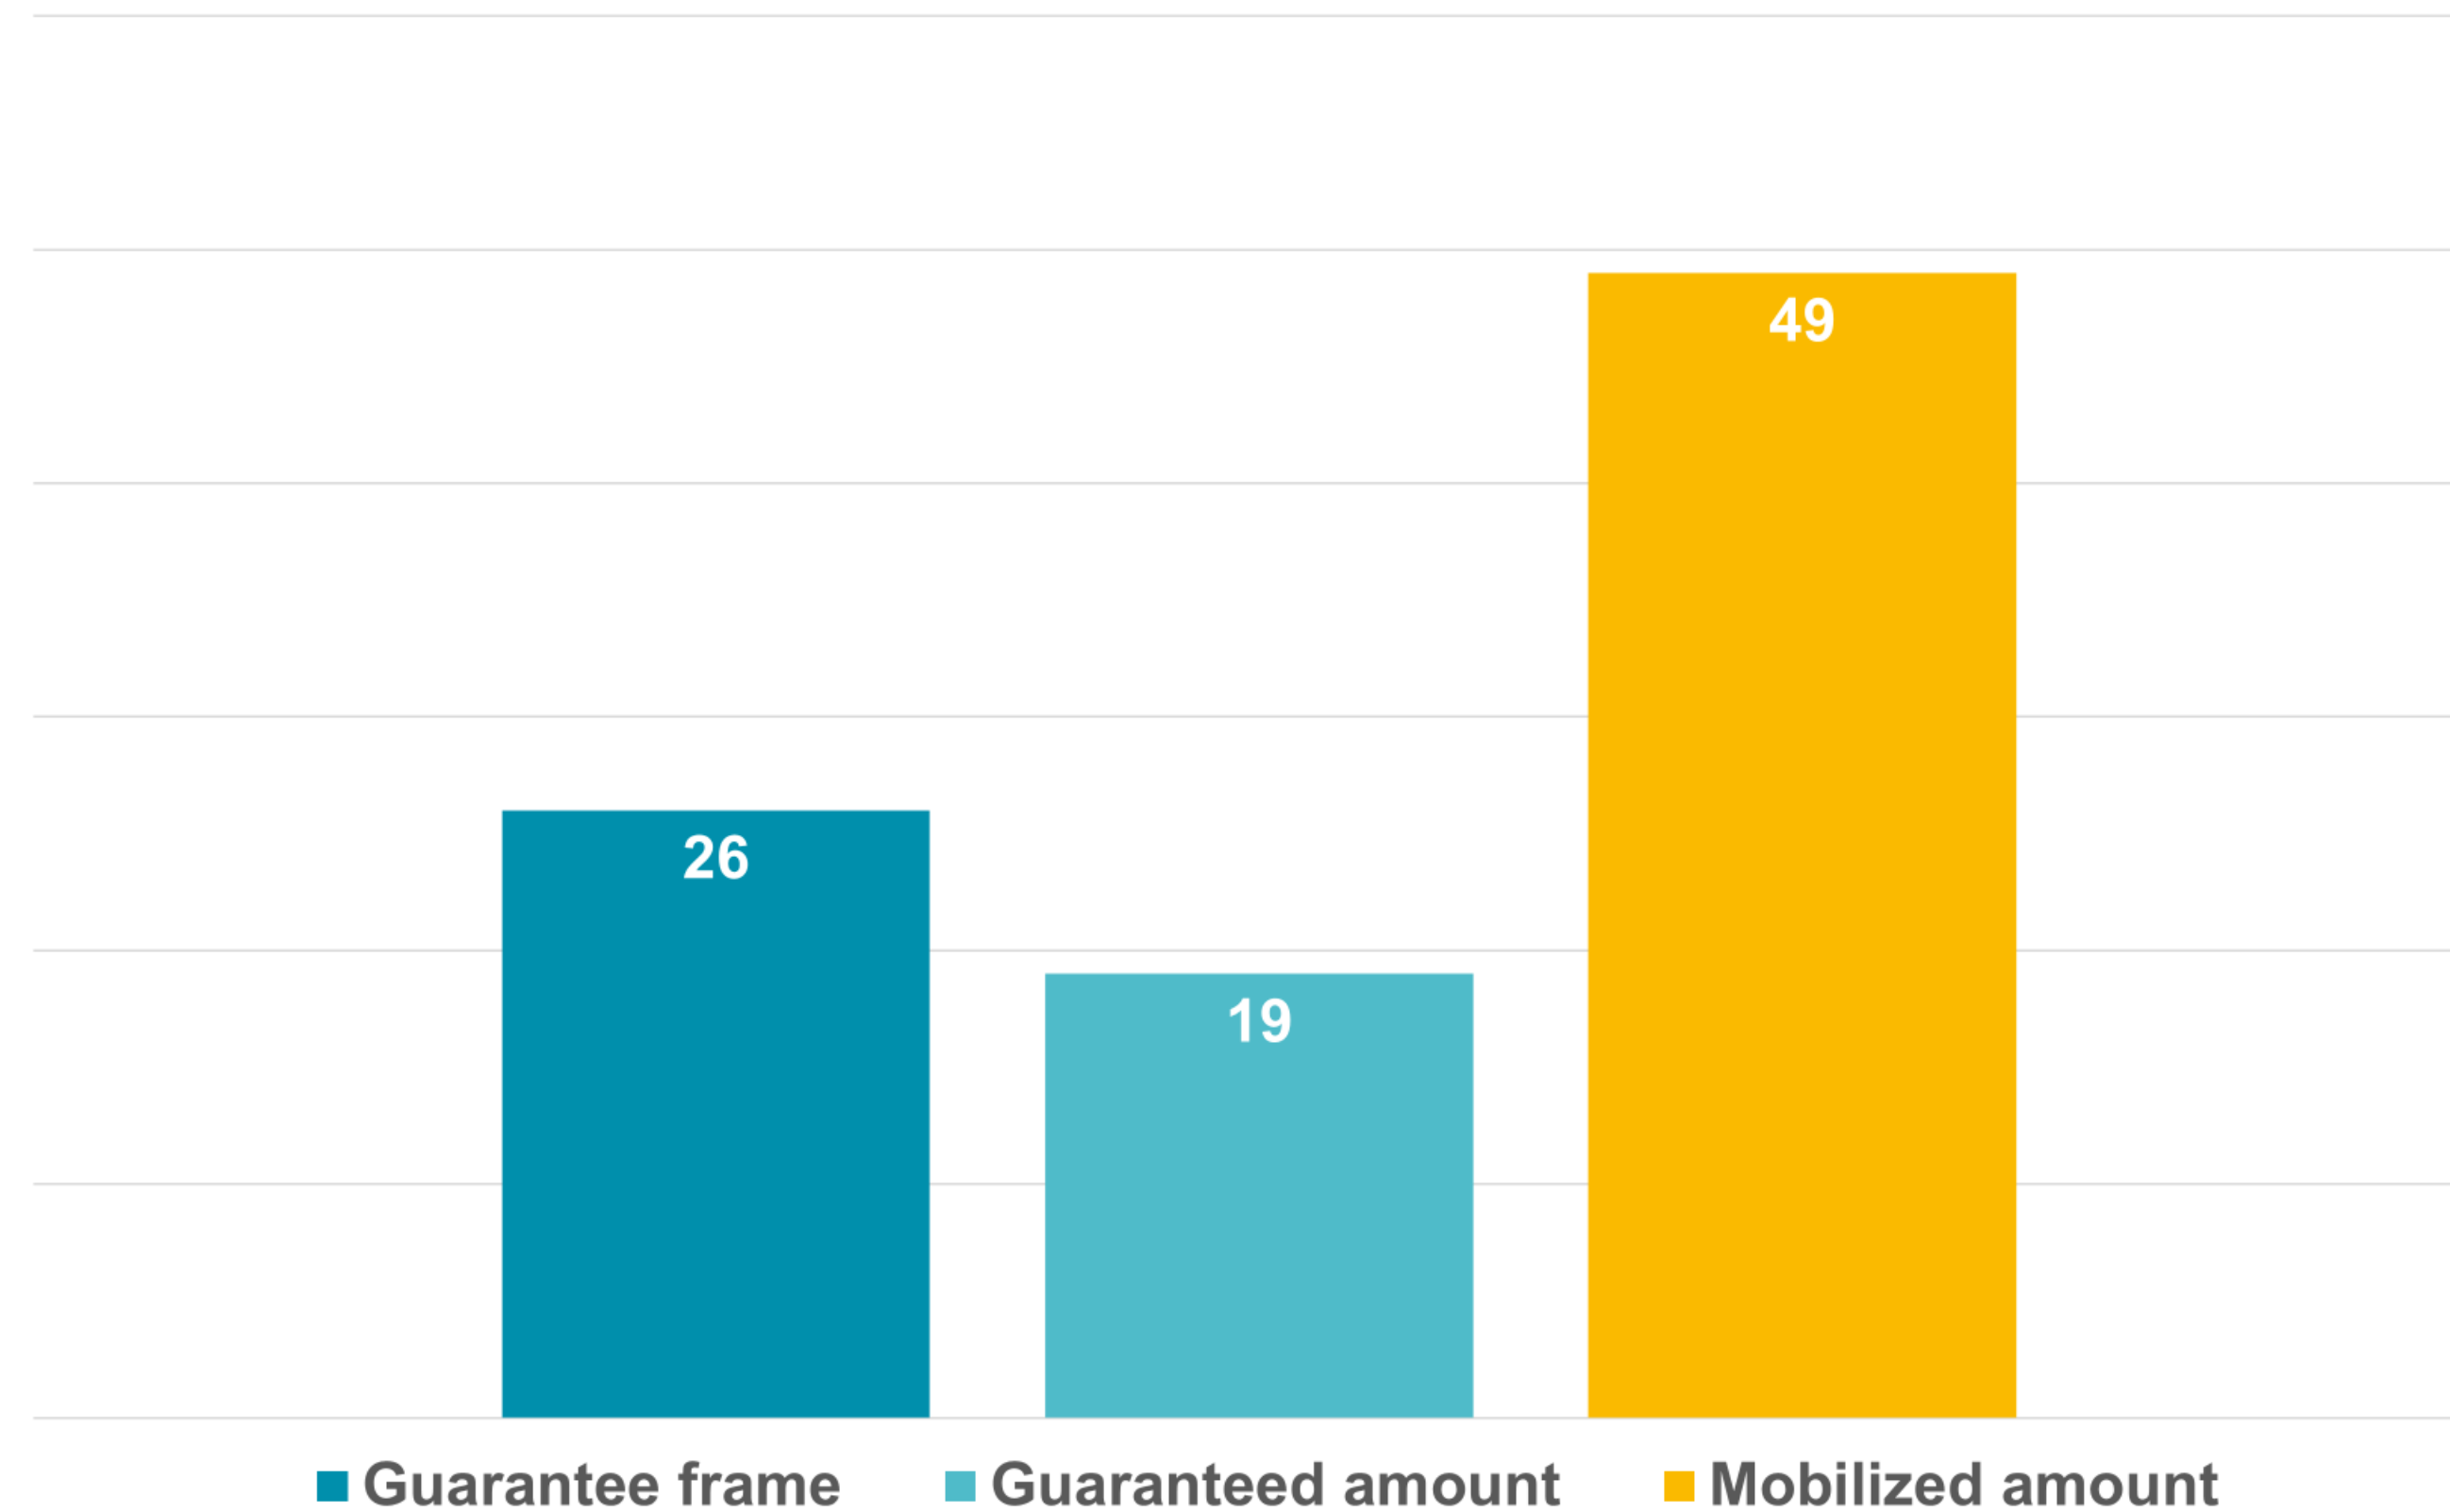

Exponential growth of guarantee volume

- Close collaboration with USAID/DFC enabled high growth of guarantee until 2018
- Before 2020 – focus on bilateral portfolio guarantees
- Since 2020 – higher focus on larger guarantees and particular focus on climate finance

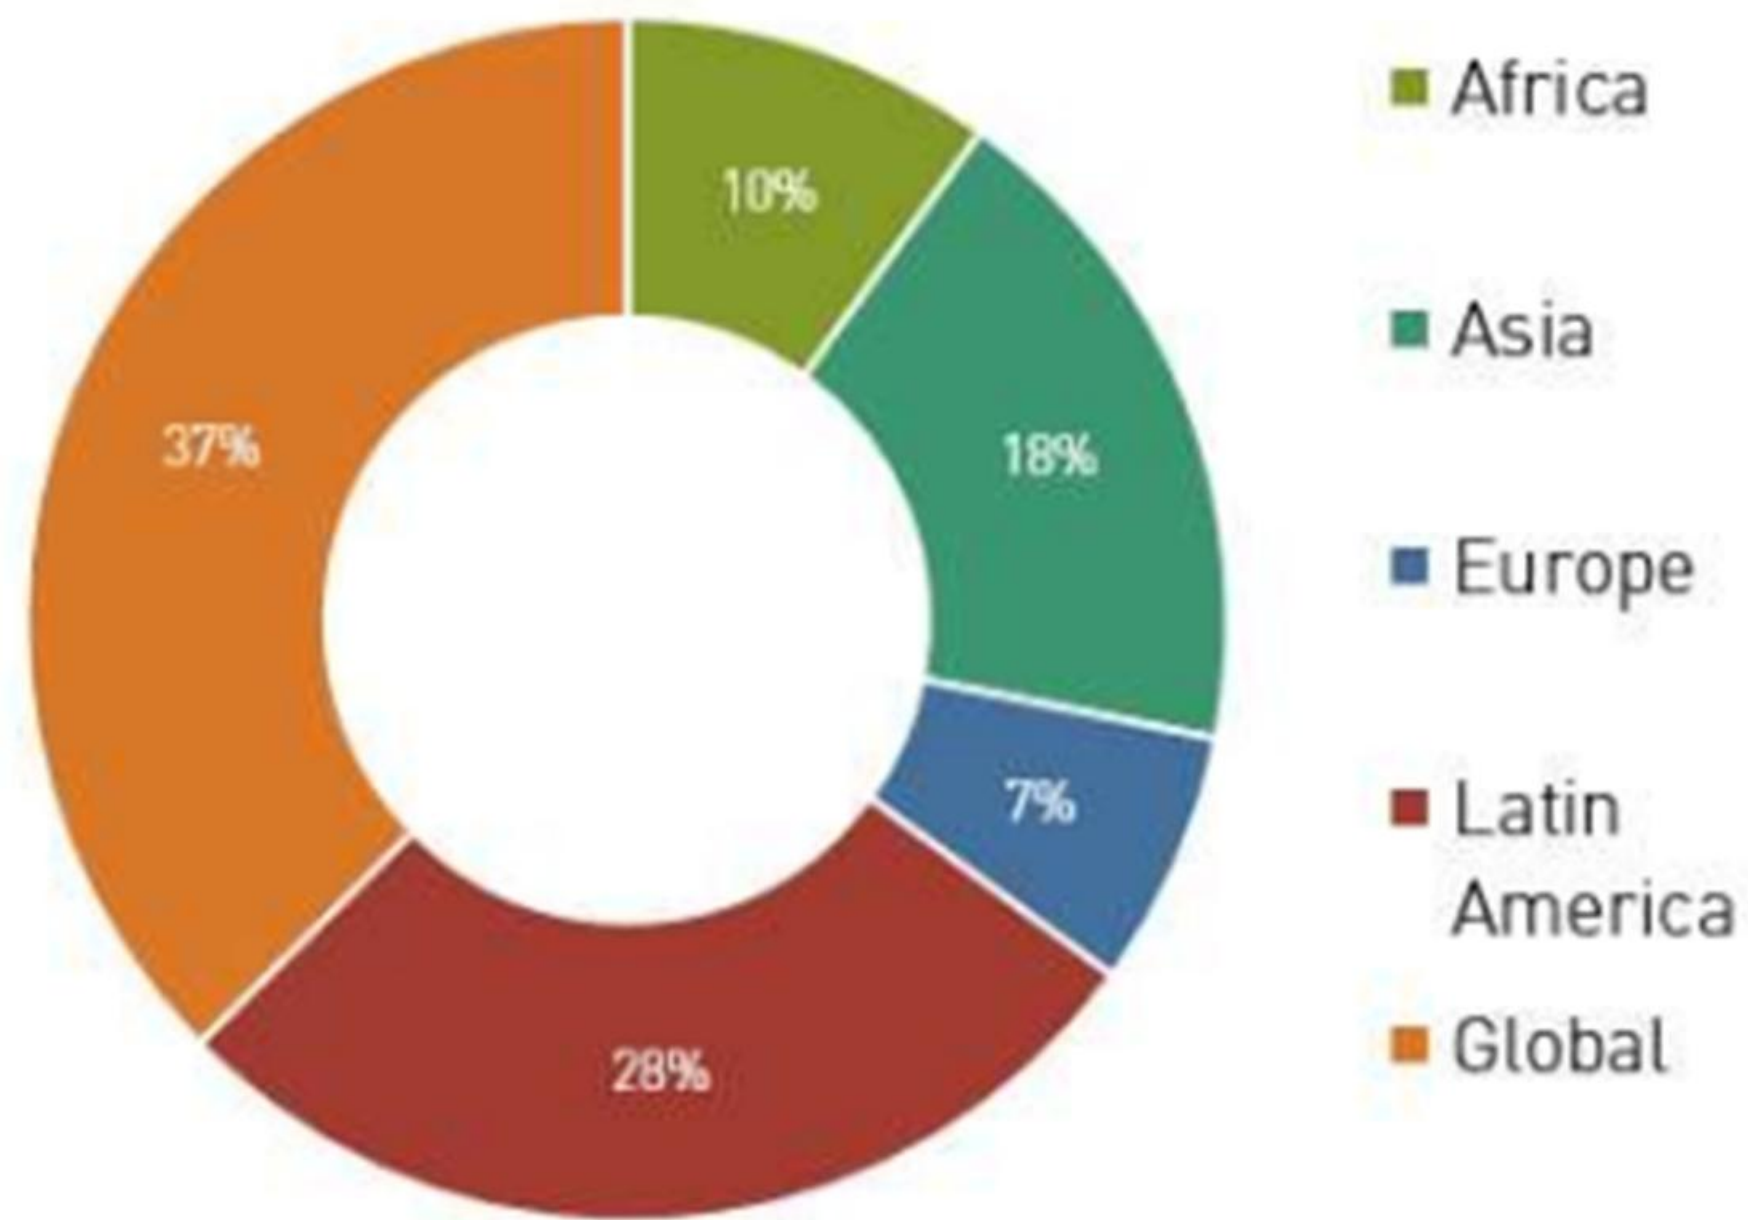

Portfolio overview

Amounts at end of 2024, in billion SEK

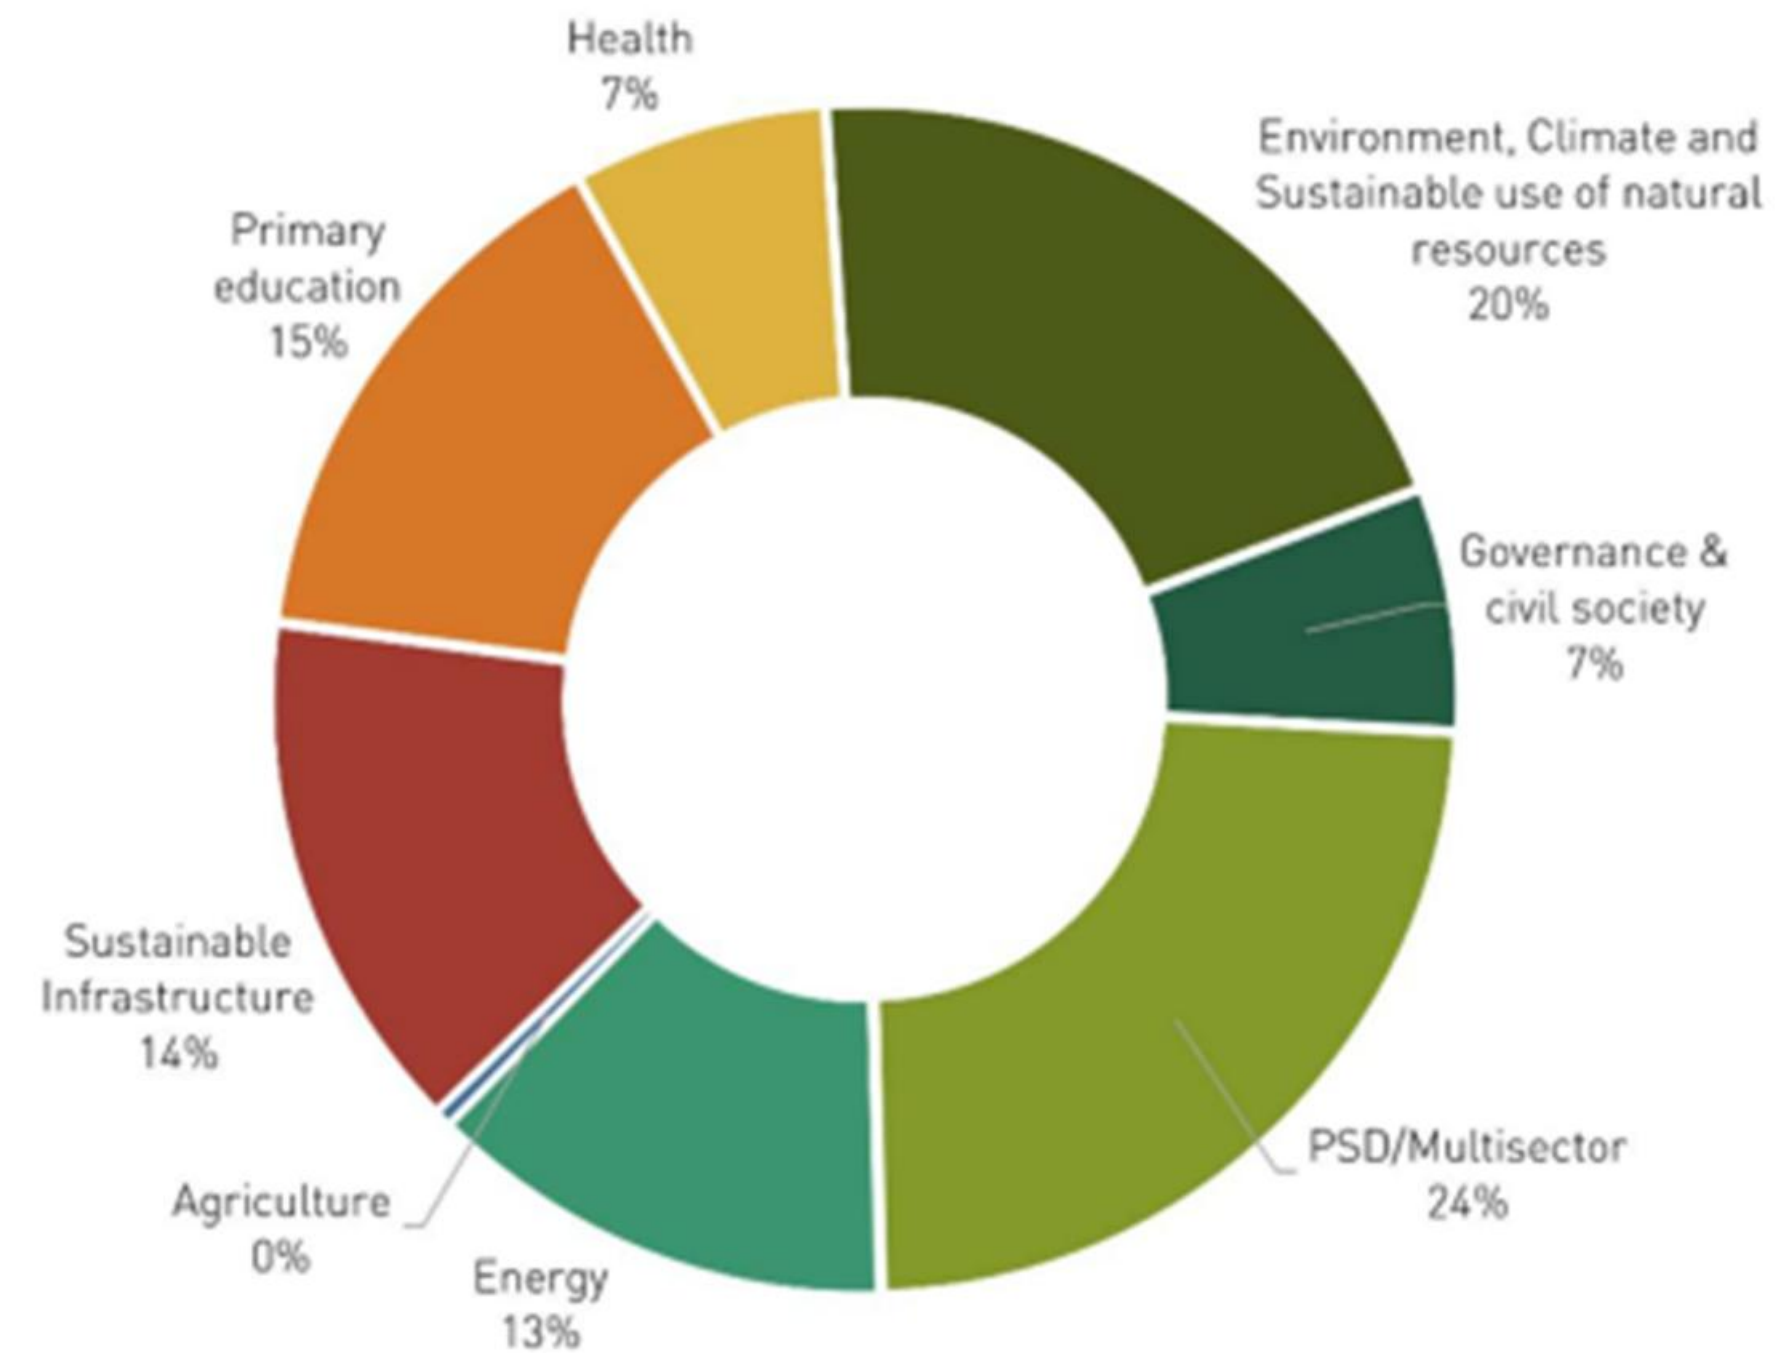

Distribution across geography & sector

Agreed amount by geography

Agreed amount by sector

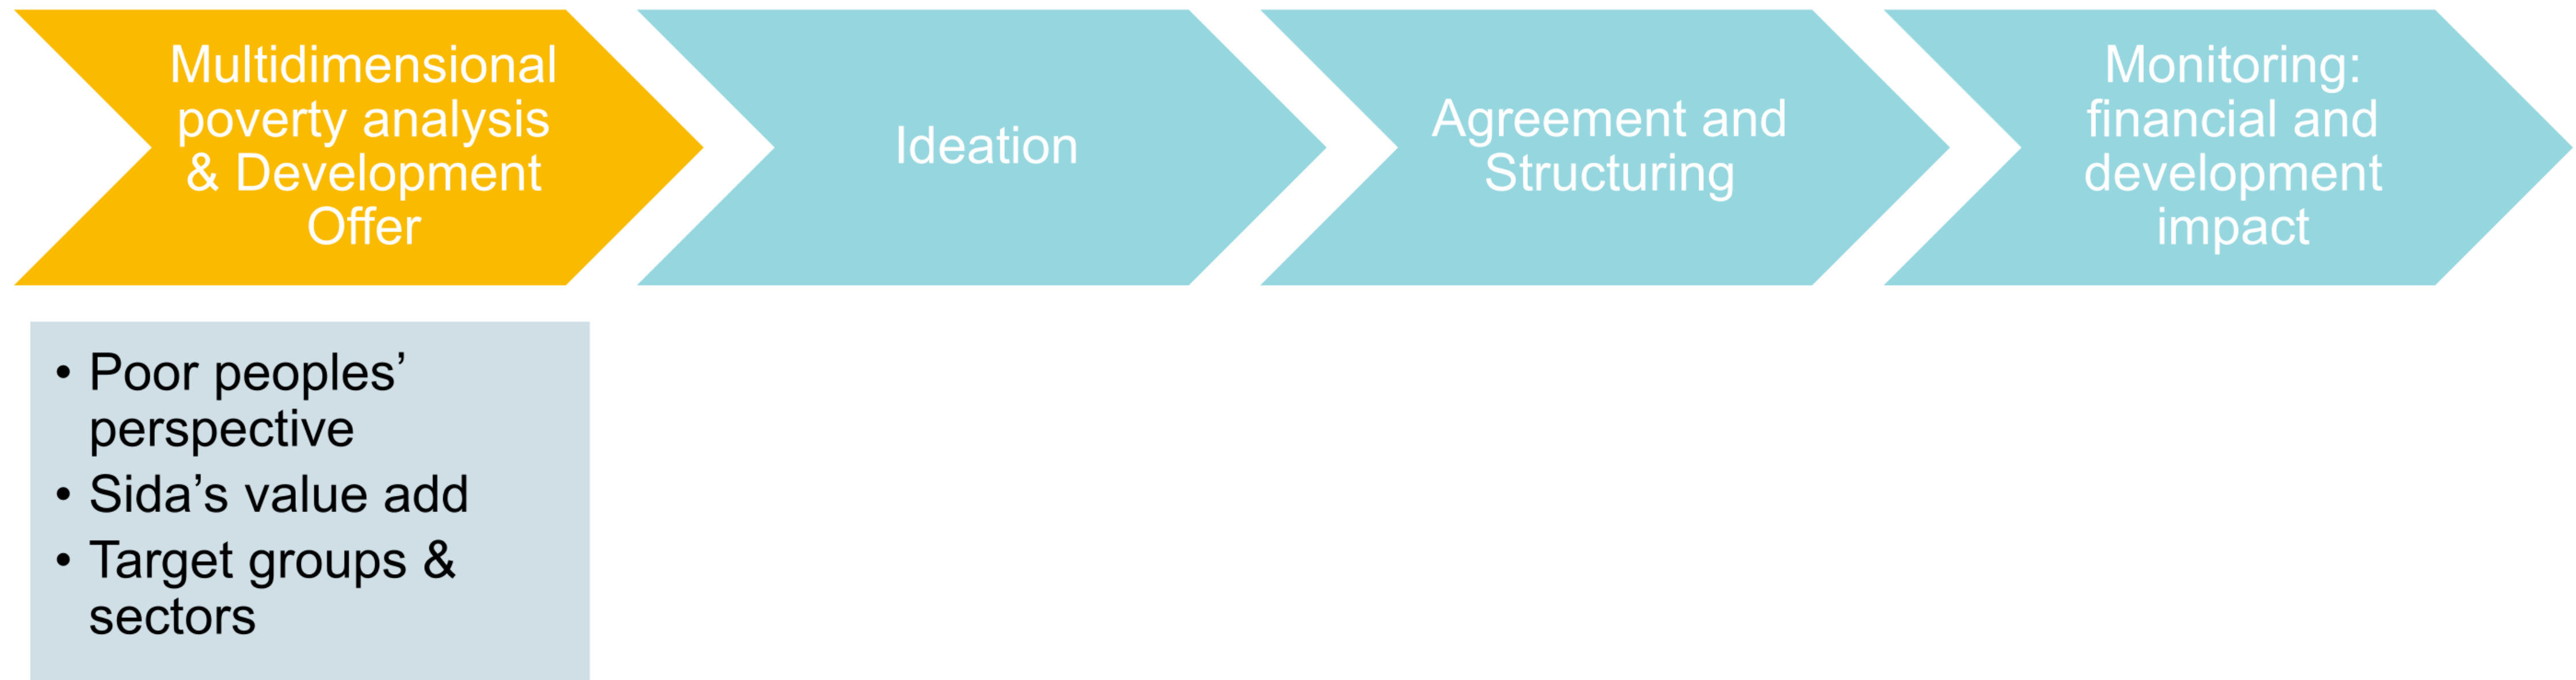

Supporting development results through the Sida guarantee instrument

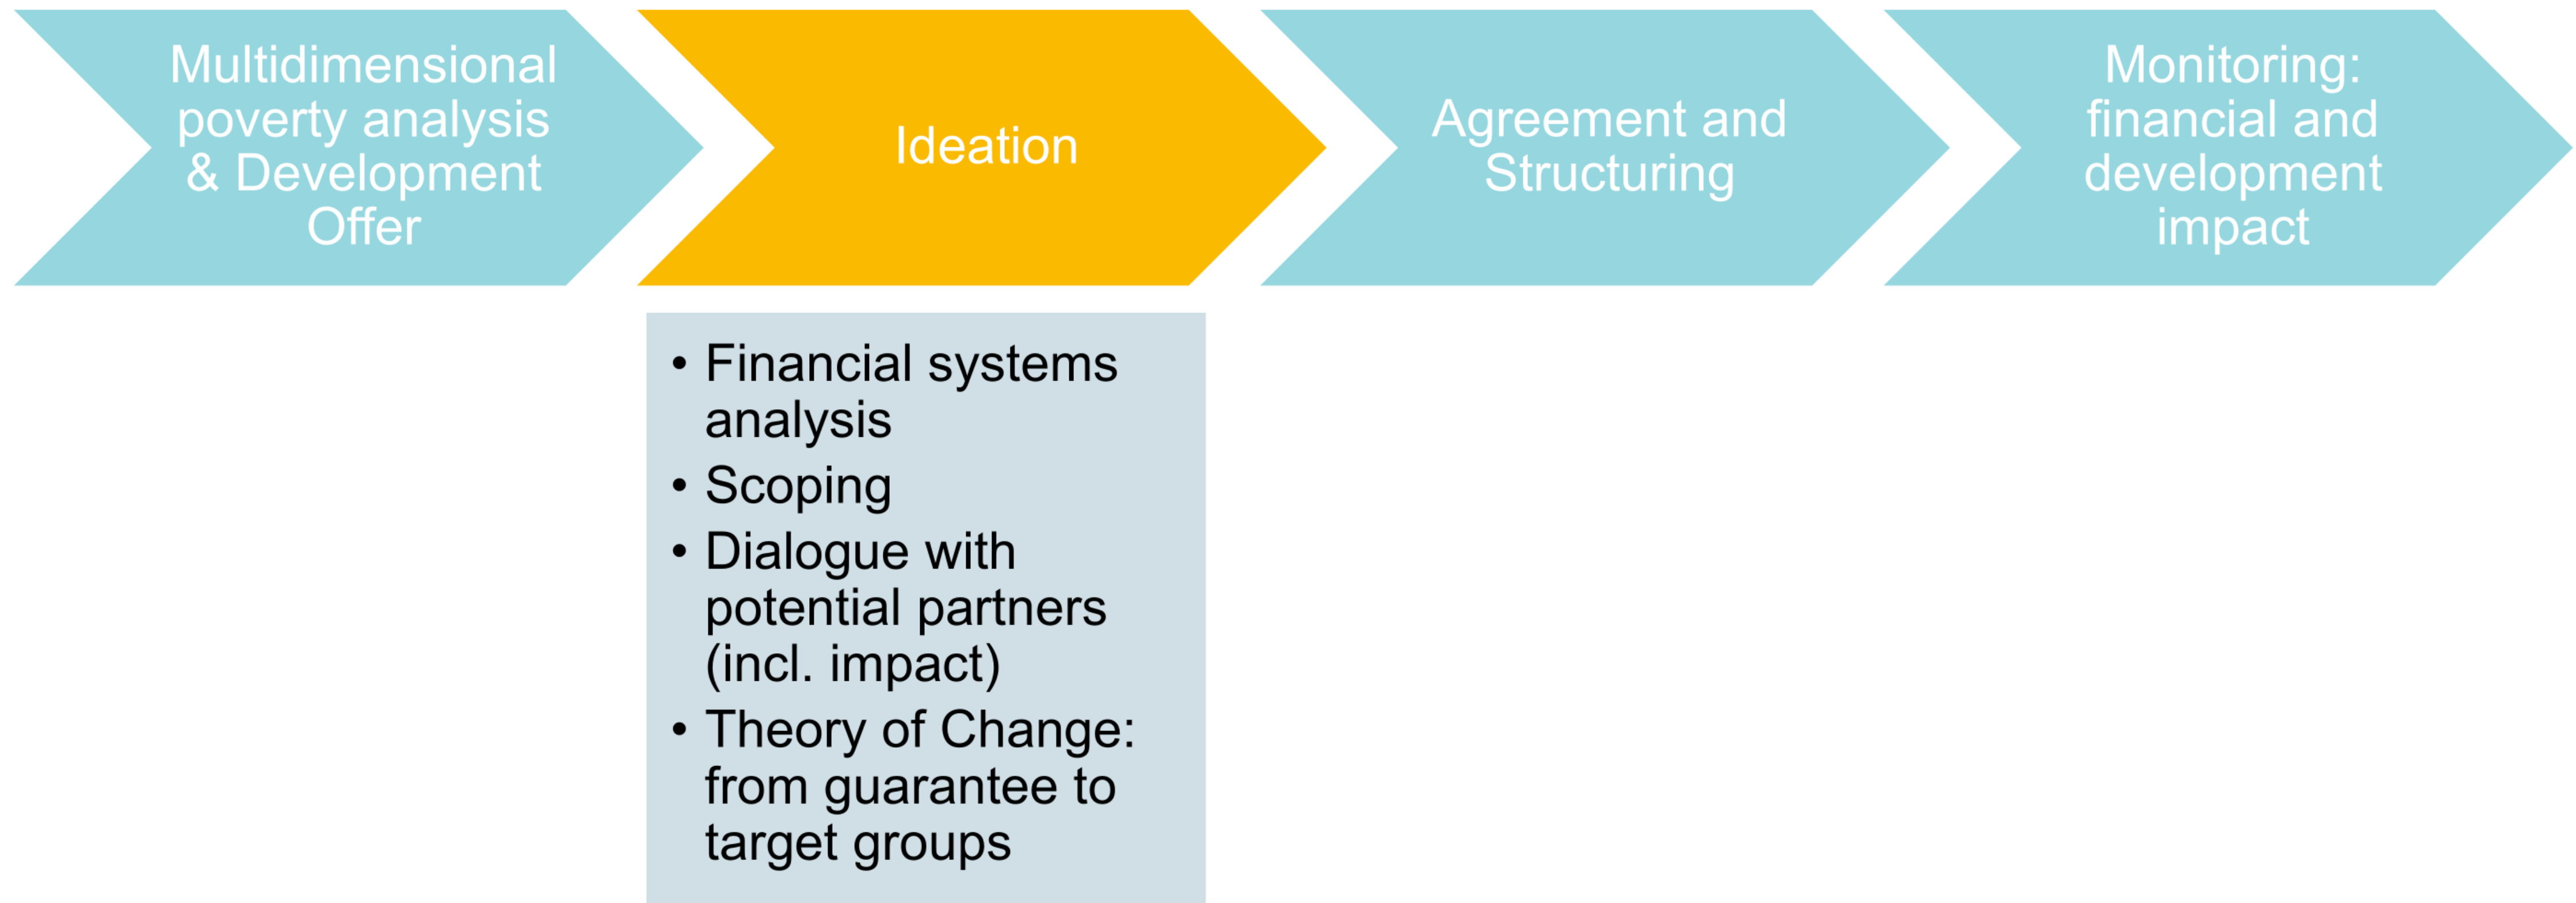

Impact: from design to monitoring

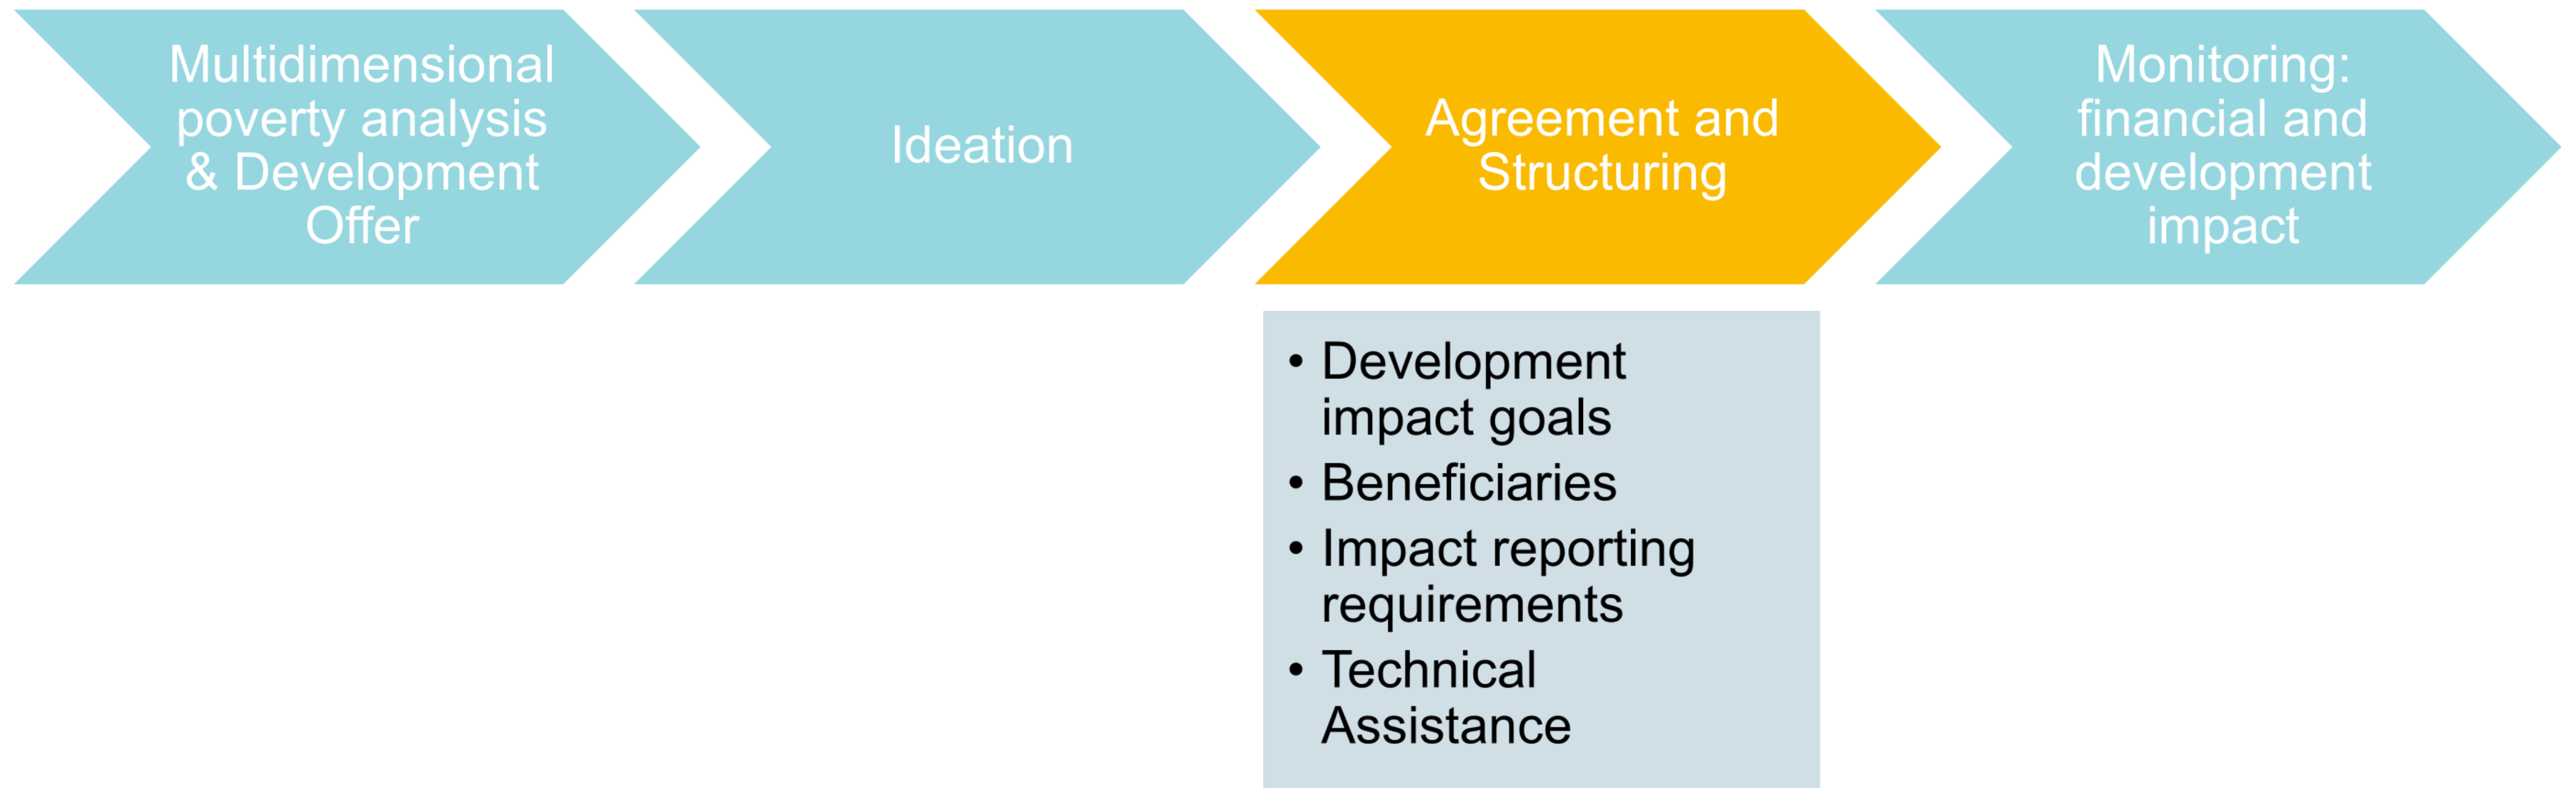

Starting with a poverty focus

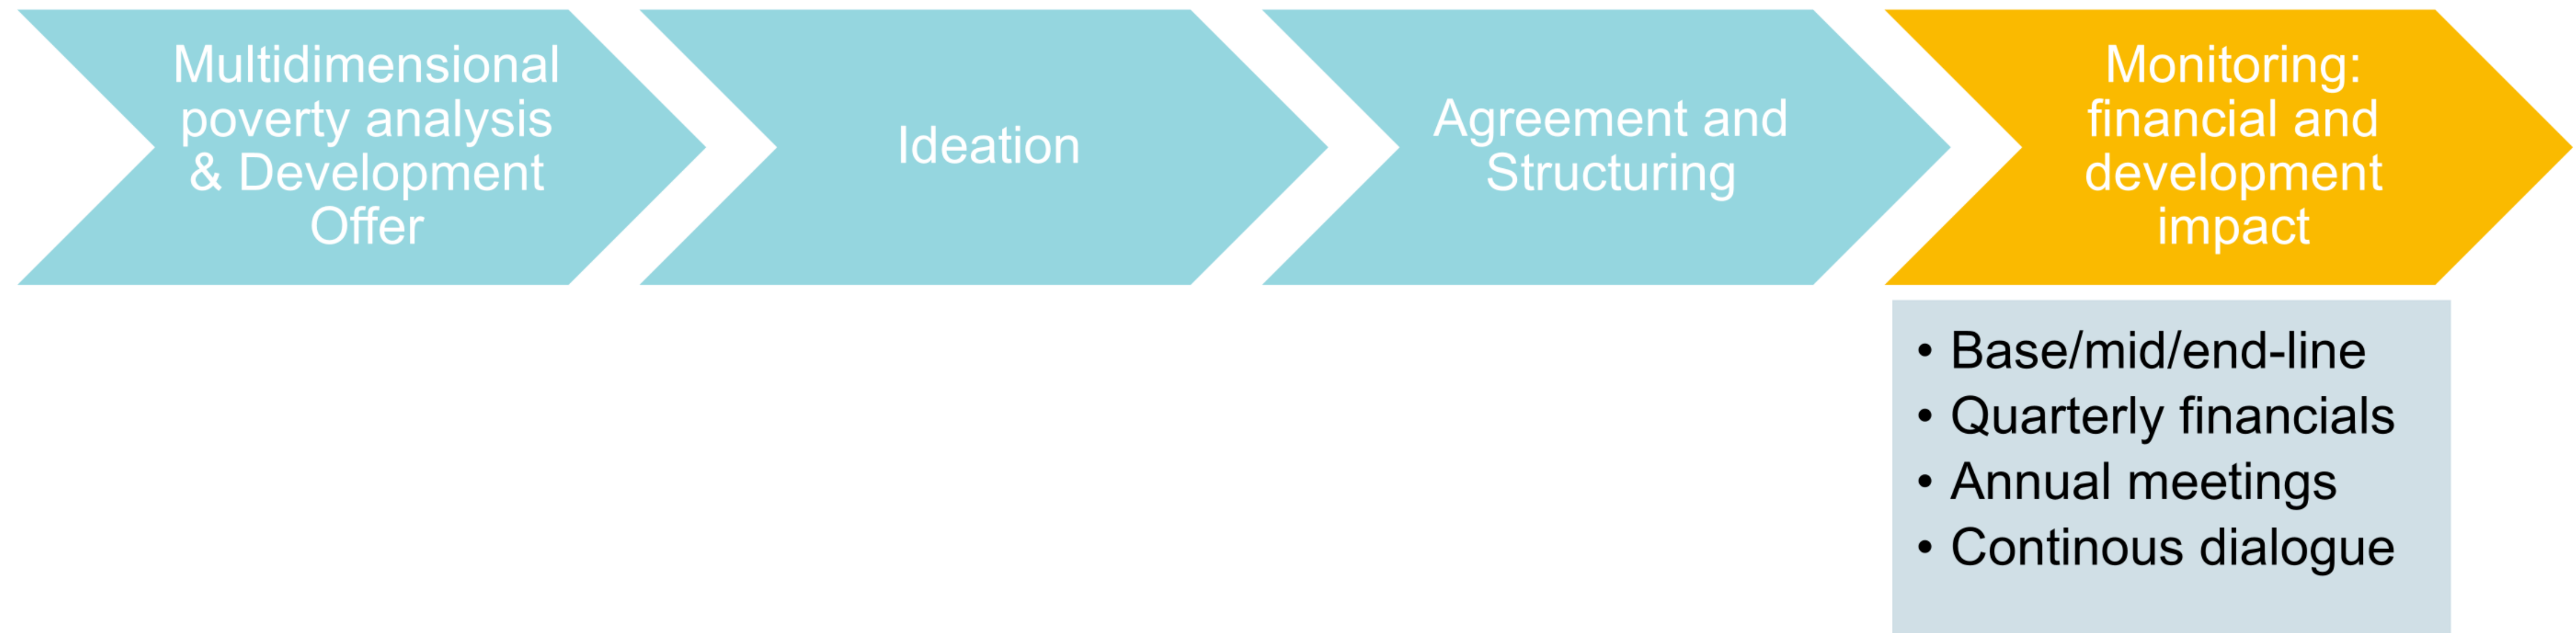

Taking a systems approach

Incorporating development impact into Agreements

Understanding impact and adjusting approach

Thank you!
